STEP 1 INSERT

Please insert the SIM in your mobile device.

Please set up APN. Please restart the device. Connect to WIFI. Please open a browser and register your email address and the start date of service use.

STEP 3

REGISTER

COMPLETE

You are ready to use!

## iPhone **APN Settings Manual**

## STEP 2

Please contact the service provider if you need to:

- Reset your device to its previous settings (before the use of Japan Travel SIM);
- Swap to a third party SIM card.

### Manual APN Setup:

Turn your device off, insert the SIM card, and turn the power on again.

\*For details on how to insert the SIM card, see the manual for your device.

Tap the [Settings] icon on the Home screen.

3

Tap [Cellular].

| 4 | Set [Cellular Data] to ON.<br>Tap [Cellular Data Options]. |
